TIN Facilitation Centre (PAN/TAN/TDS)

Tax Information Network (TIN) is a contemporary system for collecting, processing, monitoring and accounting of direct taxes.

Alankit with its Pan India presence offers the following:

- Acceptance of Fresh PAN Application (Form 49A)
- Acceptance of change in PAN particulars Application (Form 49B)
- Acceptance of e-TDS/e-TCS/AIR/e-TBAF returns in electronic mode from Corporate and Non-Corporate Assesses
- Digitization of Paper Returns filed with Income Tax Department

UID Enrolment (Aadhaar)

Aadhaar, the unique identification number issued by Unique Identification Authority of India (UIDAI) is linked to the demographic and biometric information of individuals, which acts as a universal proof of identity, allowing residents to establish their credentials anywhere in India. Alankit's three Group companies are Empanelled agencies with UIDAI for enrolling Indian Citizens in the States and Union Territories, thus assuring access to all the benefits and services meant for them and also helping the Government to achieve

its goal of social justice and welfare. Alankit with its wide network of branches across the nation has enrolled more than **20** million citizens under the scheme.

Printing of PVC Aadhaar Cards

Alankit offers printing of Aadhaar Plastic Cards which are printed using the eKYC service of Unique Identification Authority of India (UIDAI). The person is required to provide the credentials of his Aadhaar Number, the registered mobile number or his/her biometric details (either fingerprints or iris scans) on the basis of which the online verification process is carried out. On successful verification and authentication, the PVC Aadhaar cards are printed and handed over to the person. The Know Your Client (KYC) process is completed automatically online and so the card generated is authentic and cannot be challenged unless the basic information fed into the system was incorrect.

Aadhaar Seeding Agency

Aadhaar Seeding is a process by which Aadhaar Numbers are included in the service delivery database of service providers for enabling de-duplication of database. Alankit Limited is empaneled with

UIDAI as Agency for Seeding and Verification.

Distributorship of ID Card Printers

Alankit Limited is now the National Distributor for Entrust Datacard Printers. The Printers can provide you an instant solution for printing of Plastic Aadhaar Cards. One can also print and deliver Voter ID Cards, Health Cards, Driver's Licenses, Membership Cards, Payment Cards, Employee ID Cards, Loyalty Cards, Visiting Cards etc.

CRA-FC for NPS

Central Record Keeping Agency - Facilitation Centre (CRA-FC) for National Pension System (NPS)

Central Record keeping Agency (CRA) plays a crucial role in ensuring operational efficiency of the National Pension System acting as an interface between PFRDA and other NPS intermediaries. Alankit has been appointed as CRA-FC by NSDL for processing the applications for allotment of Permanent Retirement Account Number (PRAN) and extending various services to both Government Employees and Unorganized Sector workers under NPS. With a large network of trusted service centres across the country, Alankit ensures high level of efficiency and data security.

Ensuring Efficiency, Reliability and Transparency

Point of Presence (POP) - National Pension System (NPS)

The NPS scheme empowers the subscriber to plan for his retirement and also acts as an investment tool that provides market based returns. The Company as POP acts as the first point of interaction between the voluntary subscriber and the NPS architecture. Alankit's network of 4559 business locations is rendering services as 'Point of Presence Service Providers (POP-SP)' for NPS across the country. As a service provider, the company takes care of functions relating to Subscriber Registration for NPS, undertaking Know Your Customer (KYC) verification, receiving contributions and instructions from subscribers and transmission of the same to designated NPS intermediaries. Apart from this, it also handles grievances of subscribers and guides them to the right way.

Facilitator Atal Pension Yojana (APY)

The Govt. of India announced a new scheme in 2015-16 budget called Atal Pension Yojana (APY) with an objective to ensure old age income security for the citizens in the unorganized sector which will replace the earlier pension scheme- NPS Lite (Swavalamban Yojana). Under the APY, guaranteed minimum pension of Rs. 1,000/-, 2,000/-, 3,000/-, 4,000 and 5,000/- per

month will be given at the age of 60 years depending on the contributions by the subscribers. Alankit as facilitator would enrol subscribers in the scheme through the architecture of National Pension System.

Approved Person- National Insurance - Policy Repository

Alankit as Approved Person for NIR, facilitates opening of e-Insurance Accounts (eIAs) and other servicing requests from the policyholders. The facility of holding of all type of insurance policies in electronic form in a single e-Insurance Account was introduced by the Insurance Regulatory and Development Authority (IRDA) in order to bring efficiency, transparency and cost reduction in the Insurance sector. The account will act as a single point of contact for the policy holder for keeping, viewing and amending the policy details. It will do away with all the problems of holding the insurance policies in physical form and will also facilitate common Know Your Customer (KYC) for the eIA holder.

POS - (NSR)

Point of Service (POS) - National Skills Registry (NSR)

NASSCOM, through a subsidiary of NSDL has created, maintained and operated a national database of IT & ITeS professionals through a web based system known as National Skills Registry (NSR). This central repository

can be accessed by the companies registered with NASSCOM to verify the authenticity of the professionals containing background check information i.e. Personal, Academic and Employment details of the individuals. Alankit has taken a lead by registering over 90% of the professionals through various POS set-up in all major cities. The objective is to create higher standards of recruitment practices which will in turn, help in maintaining India's Global competitive advantage.

e-Return Intermediary

In order to avoid long queues and save complications therein, filing of Income Tax Returns online, has, now-a-days emerged as a better option and is becoming increasingly popular. Alankit as a registered e-return intermediary, renders best professional advice and makes sure that the process of e-filing of returns becomes easy, convenient and secure for the taxpayers.

Business Correspondent (BC)

Alankit Limited has joined hands with State Bank of India to provide services as Business Correspondent to them. The BC arrangement essentially means enrolling customers and enabling the transactions of the customers at the Customer Service Points (CSPs) besides sourcing various deposit and loan products for the Bank as a Business Facilitator, thus facilitating the business growth of the Bank. They are

representatives appointed by banks to act as their agent and provide banking services in remote locations where the bank does not have a presence in order to promote Financial Inclusion.

Facilitator (NPCI)

Facilitator - National Payments Corporation of India (NPCI)

Moving with a goal of touching every Indian by 2020 with one or the other payment service, at least once a day, NPCI's products are achieving distinct objectives by fulfilling needs of country's payment system.

Alankit is engaged as an agency for implementing and managing Paper to Follow (P2F) Process for Cheque Truncation System through its wide network of offices, an initiative of NPCI to compress the clearing cycle to provide faster clearance of cheques.

Indian Workers Resource Center (IWRC)

A welfare initiative of Ministry of Overseas Indian Affairs, Gol under the aegis of Embassy of India, Abu Dhabi aimed to assist the Indian Workers residing in UAE in various Legal, Financial and Social issues. The service offerings include providing a 24 x 7 helpline, conducting awareness and counseling programs, running a shelter home, registering and managing complaints & grievances, thus ensuring ease of access and quick resolution of queries.

Attestation of Documents

All the documents intended to be used in United Arab Emirates (UAE) or any other country requires legalization which is generally known as attestation or authentication. An individual can submit his/her original documents or documents of blood relations for attestation. With two decades of experience in document management field, Alankit provides an affordable and reliable attestation process and guarantee you a fast & secure service with 24 X 7 support from an experienced team!

Authentication User Agency (AUA)

An AUA is any legal entity registered in India that seeks to use Aadhaar authentication for its services. Being an Authentication User Agency (AUA) of Unique Identification Authority of India (UIDAI), Alankit can now provide Aadhaar Enabled Services to its beneficiaries, clients and customers and can further verify the correctness of the Aadhaar numbers provided, through demographic and/or biometric authentication of the Aadhaar holders.

KYC User Agency (KUA)

Alankit as KUA is eligible to provide e-KYC services to the customers through its network. The paperless KYC experience (e-KYC) helps to avoid the

cost of repeated KYC, the cost of paper handling & storage, and the risk of forged documents.

Distribution Agency for EESL

Alankit Limited has been appointed as the Distribution Agency for EESL for distribution of Energy Efficient Products. The objective of the project is to carry out and promote the business of Energy Efficiency and climate change including manufacture and supply of energy efficiency services and products. The same will lead to savings in electricity and lower consumption of fossil fuels thus benefiting the environment as well.

.IN (Dot In) Registrar

.IN domain, India's top-level domain on the Internet is easy to buy, easy to use, fast & reliable and can be used for e-mail, web sites, and other web applications. Registering a .IN domain is a very simplified process, open for everyone without any requirement for geographical details. Alankit provides direct registration services for the .in domain names presenting an opportunity for local and international companies wanting to represent their business in India.
